Hello JoAnne,

Thank you very much for your commitment to working toward the same goal. I have advised our Operations Command of your email and we will await further information received through our Ontario representative.

Sincerely,

Pam

Chief Mizuno,

We are happy to continue working towards the same goal. We have asked Captain Kevin Sweeney, who oversees the Emergency Management and Homeland Security Division within the Michigan Department of Police, to reach out to his counterpart in the Province of Ontario to further discuss any requests for assistance. If any tow truck contractors in Michigan are to be involved, they would need to be run through a compact that exists between the State of Michigan the Province of Ontario called the Northern Emergency Management Assistance Compact (NEMAC). Captain Sweeney is making that outreach now.

I've included Mark Totten on this email who can provide any further clarification if needed.

JoAnne

Hello JoAnne,

It would be of great assistance if the State was able to secure the tow trucks to assist with the removal of the vehicles as we are very busy working on many other logistical issues to restore free movement across the Ambassador Bridge. I would truly appreciate it if the state was able to reassess if they are able to assist in securing the resources.

Sincerely,

Pam

Chief Mizuno,

Thank you for reaching out. We appreciate all you are doing. I know we share the same goal: to restore free movement across the Ambassador Bridge as soon as possible. At this time, we don't have any state resources that we are able to make available, but we would be happy to put you in touch with private contractors who provide towing services in SE Michigan, if you think that would be of assistance. If you prefer to discuss by phone, you can reach me at **REDACTED**. Again, thanks for all you're doing at this challenging moment.

JoAnne

Hello Chief of Staff Huls,

I wanted to reach out and extend my thanks to Governor Whitmer for the offer to provide assistance in the form of tow trucks or heavy machinery to resolve the situation at the Ambassador Bridge. Our operations teams are aware of the available resources, which will be considered in our planning. Should any resources be required, we will be reaching out to you for assistance. Once again, thank you for the support during this challenging time.

Sincerely,

Pam

Pamela Mizuno | Chief of Police
